Founder of armed with Umbrellas

Walking with others under God's umbrella — **and yours.**

WHY BECKY

Nearly nine years living in Japan. Decades in ministry. And an unforgettable collection of umbrellas gathered from around the world — each one a doorway into a Biblical truth. Becky turns that cross-cultural lens into fresh, vivid teaching audiences remember long after the room empties.

Her signature challenge: ***"Who is God calling you to invite under YOUR umbrella?"*** She moves listeners to strengthen their walk with their Creator, recognize their own gifts, and step boldly into a purpose-filled life of walking with others.

HER MESSAGE — SHELTERED, SHAPED, SENT

Sheltered **Under God's umbrella.** Strengthening your walk with your Creator.

Shaped **By your gifts.** Naming your unique purpose and qualifications.

Sent **To walk with others.** Inviting them under your umbrella.

WHAT YOUR AUDIENCE WALKS AWAY WITH

- Clarity on their God-given purpose and unique gifts
- Confidence to step into action and live intentionally
- Practical tools for walking alongside others in faith
- A fresh perspective drawn from cross-cultural storytelling
- Encouragement to deepen their relationship with God

WHO BECKY SERVES

Christian women's events — **retreats, conferences, and ministry gatherings** — where audiences want to leave equipped, encouraged, and ready to act. Equally at home in an intimate circle, on a main stage, or walking alongside people weathering life's storms.
